### Independent Auditors' Report

To the Board of Directors Avance – Dallas, Inc.

### Report on the Financial Statements

We have audited the accompanying financial statements of Avance - Dallas, Inc. which comprise the statement of financial position as of June 30, 2013 the related statements of activities, cash flows, functional expenses and the related notes to the financial statements for the year then ended.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to error or fraud.

### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatements.

An audit includes performing procedures to obtain audit evidence about amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. To the Board of Directors Avance – Dallas, Inc.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### <u>Opinion</u>

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of Avance - Dallas, Inc., as of June 30, 2013, and its support, revenue and expenses, and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### NOTE 1 – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

In fulfilling its responsibility for the preparation of Avance – Dallas, Inc.'s (the Organization) financial statements and disclosures, management selects accounting principles generally accepted in the United States of America and adopts methods for their application. The application of accounting principles requires estimating, matching and timing of revenue and costs in the determination of support and expenditures. It is also necessary for management to determine measure, allocate and make certain assumptions regarding resources and obligations within the financial process according to these principles. Below are certain significant accounting policies selected by management.

#### Nature and Purpose of the Organization

Avance – Dallas, Inc. is a comprehensive, community based, parent-child educational program funded by private companies, foundations, state and federal sources whose main purpose is to strengthen Hispanic families. The Organization is a chapter under the umbrella of Avance, Inc. (National), which was established in 1973 as a Texas non-profit corporation. Avance – Dallas, Inc. was established in 1996.

#### Basis of Presentation

Net assets, revenue, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions.

Accordingly, net assets and changes therein are classified as follows:

Unrestricted net assets – Net assets not subject to donor-imposed stipulations.

Temporarily restricted net assets – Net assets subject to donor-imposed stipulations that may or will be met by actions of the Organization and/or the passage of time.

#### Accounting Estimates and Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Such estimates and assumptions primarily relate to valuation as of the date of the

financial statements. Accordingly, actual results could differ from these estimates and assumptions. The methods used in making accounting estimates are believed by management to be reasonable and have been consistently applied.

#### Revenue Recognition

Contributions received are recorded as unrestricted or temporarily restricted support, depending on the existence of any donor restrictions.

If contributions are received and the restrictions are released in the same reporting period, the contributions are reported as unrestricted contributions. All other donor restricted support is reported as an increase in temporarily restricted net assets, depending on the nature of the restriction. When a restriction expires in a different reporting period from when they are received (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities and Changes in Net Assets as net assets released from restrictions.

Materials, facilities use and professional services received as donations are recorded and reflected in these financial statements at their estimated fair values at the date of receipt.

Numerous individuals have donated significant amounts of their time and perform a variety of tasks that assist the Organization including gift distributions and coordination. No amounts have been reflected in the financial statements as the estimated fair value of these services is not readily determinable and these services do not meet the criteria for recognition as revenue.

#### Cash and Cash Equivalents

The Organization considers all short-term investments with an original maturity of ninety (90) days or less to be cash equivalents. The Organization places cash, cash equivalents and marketable securities, which at times may exceed federally-insured limits, with high-credit quality financial institutions. The Organization has not experienced any losses on such assets.

#### **Investments**

Investments, consisting of certified deposits, are carried at their current market value. At June 30, 2013, investments totaled \$157,204. Investment return consists of interest income which is included in total interest income on the Statement of Activities and Changes in Net Assets.

#### Grants Receivable

Grants receivable consist of amounts due from awarding agencies. At June 30, 2013, grants receivable totaled \$111,753 of which receivables from two agencies comprise 81%.

#### Property and Equipment

Furniture, fixtures and equipment are stated at cost, when purchased, or estimated fair value at the date of donation, less accumulated depreciation and amortization. Major expenditures and those that substantially increase useful lives are capitalized. Maintenance, repairs and replacements, which do not improve or extend the lives of the respective assets, are charged to operations when incurred. When furniture, fixtures or equipment are sold or otherwise disposed of, the asset and related accumulated depreciation and amortization are removed and any gain or loss is included in operations. The Organization capitalizes all property and equipment with a cost over \$5,000.

Depreciation and amortization has been calculated as follows:

Equipment	5 years
Vehicle	5 years
Software	3 years

#### Income Taxes

The Organization is a non-profit organization, as defined in Section 501(c)(3) of the Internal Revenue Code (the Code), that is exempt from federal income taxes under its national affiliate, Avance, Inc.'s corporate exemption pursuant to Section 501(a) of the Code. For the year ended June 30, 2013, the Organization did not conduct any unrelated business activities that would be subject to federal income taxes.

#### NOTE 2 – PROPERTY AND EQUIPMENT
